

## **Before Starting the Project Listings for the CoC Priority Listing**

Collaborative Applicants must rank or reject all Project Applications –new projects created through reallocation, renewal projects, CoC planning projects, and UFA Costs projects - submitted through e-snaps from project applicants prior to submitting the CoC Project Listings.

Permanent Supportive Housing (PSH) Bonus projects must also be ranked on the New Project Listing using 999. Collaborative Applicants can only submit 1 PSH Bonus project.

Additional training resources are available online on the CoC Training page of the OneCPD Resource Exchange at: <https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/>.

### Things to Remember

- There are four separate forms in e-snaps that make up the Priority Listings, which lists the new projects created through reallocation, renewal, CoC planning, and UFA Costs project applications that the Collaborative Applicant intends to submit on behalf of the CoC. The Priority Listing ranks the projects in order of priority and identifies any project applications rejected by the CoC. All renewal and new projects created through reallocation, CoC planning, and UFA Costs project applications must be accepted and ranked or rejected by the Collaborative Applicant. Ranking numbers must be unique for each project application submitted.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2014 CoC Ranking Tool located on the OneCPD Resource Exchange to ensure a ranking number is used only once. The FY 2014 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants are required to notify all project applicants no later than 10 days before the application deadline regarding whether their project applications would be included as part of the CoC Consolidated Application submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.
- Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.
- Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.
  
- Only 1 PSH Bonus project can be ranked, using 999, on the New Project Listing.
